As an aspiring Athletic Communications/Public Relations professional, I approach every environment with a student-athlete-first mentality. I currently bring experience from James Madison, Marymount, and George Mason to the Manhattanville communications department as I continue to develop my skills and contribute to the field.

Education

Manhattanville University, Purchase, NY

(exp) May 2027

Masters of Science in Sport Business Management

James Madison University | B.S Sport and Recreation Management

AUGUST 2022 - MAY 2025

Related Work Experiences

Manhattanville University Athletic Communications - (Assistant Director) AUGUST 2025 - PRESENT

- Working directly with all 23 sports, collaborating to ensure coverage of all events; designing engaging gameday, countdown, player focus, and team focus graphics using Adobe Suite
- Enhancing the website's backend by updating rosters, team photos, and schedules for improved user experience as well as collaborating with athletic teams to ensure timely and accurate communication of events and updates. Including successful media day operations once a season.

James Madison University Athletic Communications - (Student Worker)

JULY 2023 - MAY 2025

- Provided real-time social updates and statistics for various sports teams including Field Hockey, Soccer, Volleyball, Football, Basketball, Lacrosse, Baseball, and Softball
- Communicated effectively with coaches, media, and SIDs to ensure accurate and timely delivery of game information while developing strong skills in social media management, live updates, and operating DAKTRONICS Scoreboard and Statcrew Program for multiple sports

Morgan's Message - (Campus Advisor / At-Large Ambassador / Internship / Chapter President)

MAY 2023 - PRESENT

- Most recently in my role with Manhattanville I have been able to be a campus advisor for involved student athletes that are working towards the foundation of their new chapter.
- As an at-large ambassador, I founded JMU's chapter of Morgan's Message in September 2024. We are working to eliminate the stigma around mental health through tabling, fundraising, and hosting mental health advocacy events. *400-hour internship January-May 2025*

Past Experiences/Involvement

'24 Naismith Awards - (Volunteer) **'24 NCAA Final Four - (Festival/Fan Fest Volunteer)**

'23-24 Marymount Athletic Comms. - (Internship, two summers) **'23 ESPN College Gameday - (Local Staff)**

'22 George Mason University Athletic Comms. - (Internship)
